Since we live in a time when many are questioning the reliability of the Bible, it is important for us to have answers – not guesses, *but solid answers from the Word of God!*

This DVD has 11 parts: An introduction, 9 questions / statements, and a conclusion. After each part, we will pause to answer the questions on this study sheet. May God enable us to not only hear and write the answers, but to understand them and remember them *so that we can respond to the challenges of others with God's Holy Word!*
